SENIORS: WIN THE ZEOLITES' MONEY!

Dear Seniors:

How would you like to earn **\$8000** for about two hours of work?

We hope you do. We are Mather alumnae from the Class of 1964 who organized the **Zeolite Scholarship Fund** in the year 2000. Each year we have given at least one college scholarship worth \$8000 (\$2000 a year for four years) to a Mather senior and we hope to do so again in 2012.

Unlike most other college financial awards, Mather seniors are the only students who are eligible for the **Zeolite Scholarship**. In the past, as many as one of every five applicants received a scholarship. Pretty good odds, don't you think?

What are we looking for?

- Someone who has done well in school, but not necessarily the best student in class.
- Perhaps someone who has been active in the community or at Mather.
- Or, someone who has overcome obstacles and has a vision of making something out of his or her life.

Are you interested? If so, you need to get an application from your counselor at Mather. Complete and return it to your counselor by **March 5, 2012**, along with your transcripts, the FAFSA (financial aid) form, and a letter of recommendation. That's all it takes.

Don't be put off if someone who you think is more qualified than you tells you that he or she is applying for the **Zeolite Scholarship**. Even though you may think the other person is more deserving, **we** may think that **you** are. And, you can also apply for as many other scholarships as you want, as well as ours.

We urge you to visit your counselor, get an application for the **Zeolite Scholarship**, and turn it in by the **March 5, 2012** deadline. The Zeolites will be back later in the spring to announce the winner. **Good luck!**
